The Fourth - where he is willing to purify himself.
The Fifth - where he is willing to consecrate all his energies, vehicles, time and talents to the service of the Godhead.
The Sixth - where he becomes desirous within himself to minister to all evolutions on the Earth -- human, elemental, animal - in whatever form he may encounter them.
The Seventh - where he learns to become Master of all energy through the Sacred Love of the Sacred Fire.

Use the Sacred Fire of Purification offered to you by the Beloved Saint Germain constantly, beloved ones, because in your inner bodies there is darkness as well as light, and the more you use the Violet Fire, the more of this effluvia will be burned away until only the light remains. Your etheric body can either 'bog you down' or, through purification, it can become the motor by which you can perform miracles and finally ascend. I hope you have enjoyed your visit to Luxor as much as I have enjoyed being your Host.

Thank you and God bless you.

Beloved Children of God seeking the Way Home:

As My Beloved Kuthumi was your Guide and Mentor on the occasion of your recent visit to the Beloved God Meru's Retreat in South America on Saturday evening, August 18, 1956, it is with great pleasure that I present His words to your outer minds, even though your inner bodies hold the vibrations of the joy and gladness you experienced on that journey.

Time and space being factors which even the Celestial Hierarchy find it necessary to observe in dealing with the affairs of this lower octave, I now offer you My Beloved Son's report which I know your outer minds will find interesting in the extreme and which should, through contemplation of its contents, help your spiritual progress.

Blessings and Love,

MAHA CHOHAN

REPORT BY BELOVED KUTHUMI ON EVENTS AND ACTIVITIES OF THE TRANSMISSION FLAME CEREMONIES HELD THIS MONTH AT BELOVED MERU'S RETREAT IN SOUTH AMERICA ON AUGUST 18, 1956.

Beloved Friends:

It is My pleasure and privilege to conduct you, through the activity of your projected consciousness, to the Beloved Meru's Retreat situated, as most of you are aware, in the High Andes of South America where the Transmission Flame Ceremonies are being performed this evening. This Retreat is the focus for the great Feminine Ray for the planet Earth; the Masculine Ray being under the guardianship of the great Himalaya in His Retreat in Tibet. This Feminine Ray expresses itself as the great Flame of Illumination which We honor tonight.

As We approach the great Andes Range, we can see the Holy Mountain Meru, and looking upon it, let us think for a moment of that great Feminine Ray of the Godhead directed through that mountain where it meets with the Masculine Ray from the heart of the great Himalaya and forms the cradle around which the Builders of Form fashioned the planet Earth.

For many long ages the Masculine Ray has been active. You are aware of the fact that all the great Masters, Gurus and chelas have been drawn to Himalaya for His teaching and understanding of the Law, but as the Feminine Ray in Meru's Heart becomes more intensified, you will find that, in time, the jungles will recede and new civilizations will come in. Certain climatic changes will take place and many of the Illuminati

Beloved Morya and I always try to present some portion of the Law every opportunity we get. However, as the Beloved Maha Sahib's word is 'Law' to Us, tonight I will assume the role of guide and take you, by means of projected consciousness, through the Halls of Luxor.

This Sanctuary is builded on the principle of the columns which I have always loved so well. In former times, we used them in Greece as well as in Egypt. Here they are laid out in a vest square - twelve mighty pillars to a row and eight deep so that they make great squares, one inside of the other, something like the boxes children play with. You will understand that each square gets smaller as we approach the center, and it is in this center chamber that the Ascension Flame abides.

The forty-eight mighty columns forming the outside barrier of the Retreat are rather colorless in appearance -- something like your sandstone, but the seven inside rows of columns are in the glorious colors of the Seven Mighty Rays. However, due to the fact that this Sanctuary is the focus for the Ascension Flame, the colors of the Rays do not run in their general consecutive order, the pillars forming the innermost square being of pure crystal white. The row of columns next to the outside is an exquisite sapphire blue; the next row is gold; the one inside of that is pink; next comes the green; then the ruby; and lastly the violet. When one passes through the magnificent Violet Chamber, he comes face to face with the brilliant white light enfolding the Ascension chamber.

In the spaces between these rows of pillars

great mountain. We notice that there are not so many lifestreams gathered here just yet, but we do feel a tremendous sense of peace as the curtain is drawn aside and the guide beckons us to follow him down the beautiful corridor which is carved right out of the mountain, in the floor of which of which you can see the polished veins of virgin gold indicative of the untouched wealth of the Andes.

At the end of this long corridor, we come to the great open chamber where the Illumination Flame burns. The ceremonies in this Retreat, you will remember, are informal compared to the other Retreats. The attending Celestial Hierarchy, which includes Lord Gautama, Lord Maitreya, the Lord Maha Chohan, Pallas Athena, My Brother Chohans and others are all seated Eastern fashion on the beautiful pink and gold cushions provided for Their use in a great circle around the Flame. Some Masters are robed in pure white, while others are in garments of unadorned gold, but all wear a pink rose which is the symbol of the Retreat and with which They were presented as They entered.

The Illuminati of the world, men and women, are seated back of the Hierarchy and we will now take our positions behind them. All are in attitudes of intense devotion - facing the Flame.

The Flame has no Chalice, no adornment - not even an Altar. It seems to ascend right out of the heart of the mountain and disappears through the roof of the cave in a pillar of blazing light. However, as is usual with the Retreats, over the mountain is built a gigantic amphitheatre to hold the multitude of visiting life-

streams, and here the Flame circles and blazes, spreading out into a great canopy of light which encircles the whole of Central and South America. The amphitheatre is built in the form of a rose, the seats and decorations of a delicate pink - blending into gold.

At the outer edges of this beautifully formed structure are gathered untold numbers of lifestreams this evening - drawn hither by the feelings of fear and insecurity which they have absorbed into their inner bodies due to the upset conditions of the planet at this time. In the center of the amphitheatre is seated the Manu of the Seventh Root Race, the Great Divine Director, surrounded by His people who are destined to take embodiment on this South American continent.

By the side of the Flame, in the Chamber where it is focused, stands the Mighty God Meru. He presents a truly majestic appearance with golden hair and blue eyes and a serene and noble countenance. He is wearing a simple garment something like the ones you have seen depicted on the Master Jesus, but banded on the cuffs and hem with deep gold.

Standing by His side is His beautiful Goddess who is almost an exact replica of Himself except that Her golden hair is longer and flows down over Her shoulders. She wears a band of Light around Her head, with a beautiful pink Flame rising from the forehead. A Peace - a tremendous sense of Peace and well-being pervades the entire atmosphere of the Holy Mountain and its vicinity this evening. We, the Brothers of the Golden Robe, will take an active part in the expansion of the Flame during the ceremonies. We

have summoned from Kashmir all the Brothers and Sisters belonging to this Order to assist Us as We breathe in the Illumination Flame and project it forth into the mental and feeling bodies of the race. We ask you to assist Us, not only tonight, but during the entire thirty days that the Flame is active, so that the fears of the people of Earth will be allayed, and peace, illumination, and brotherly love will reign on our planet.

It will interest you to learn that the Beloved Serapis Bey's Retreat will remain open and active during this current month. This, beloved ones, is an unprecedented occurrence and has been granted to give the conscious chelas opportunity to visit the continent in which that Retreat is situated and make earnest calls for the peace and stabilization of conditions, not only here, but all over this planet. It is not happenstance, beloved friends, that both the Illumination Flame and the Ascension Flame should be called upon to send forth Their joint radiation at this particular time in the Earth's history. A magnificent Bridge of Light (white and gold) has been erected connecting the two Retreats, tremendous in its expanse - one side reaching as far north as Nova Scotia, the other extending far below the tip of the Argentine.

Now, as the Breathing Ceremony is about to commence, I must take My place and will say: God bless you, friends, and Good Evening.

KUTHUMI

Beloved and Blessed Children walking the ways of Earth:

I can assure you that there is no particle of imprisoned life among the evolutions of this Earth, within it or in its atmosphere, that does not desire freedom and comfort. Therefore, My responsibility to the planet is to bring that comfort to all life which has lost its natural rhythm of harmony and perfection.

Now, let us remember that, whereas all life requires to be comforted, comparatively few self-conscious intelligences desire to learn the way to become a comforting presence in themselves. They refuse to make the required effort to sustain the vibratory action of harmony and peace necessary to quiet those energies and keep them vibrating in the harmonious, positive and beautiful manner that is necessary if that individual is to be used by any Ascended Master or Myself as a focus from which We may project Comfort.

What happens when any part of life sends out either a conscious or an unconscious call for Comfort? Whether that expression of life is a member of the human family who is sick or in distress of mind or body; whether it is a wilted flower; a bird with a broken wing; or one of the four-footed creatures that are at the mercy of mankind; the vibratory action of the energy in, through and around that manifestation is controlled for a time by some self-conscious in-
